The Fire Ant Classic Marching Percussion contest is an opportunity for your percussion section to strut their stuff.

The contest is for all drum lines, high school and middle school, regardless of size, style or experience. It is meant to be a learning experience for young percussionists as well as a venue for students to experience the diverse styles of percussion in the Four States area and beyond.

Sections may perform anything they like within a 10 min. time period. This may include:

Cadences, "Beats", Warm-up drills, Halftime show music, original compositions, or any combination thereof. Sections may march or stand still. They may be accompanied by tape, electronics, pep band, or full band. Regardless of what you use, only the percussion section will be evaluated. Students may perform in uniform, band T-shirts or street clothes.

In short, ANYTHING GOES!

The entry fee is \$80.00

Application deadline is Friday, September 21. Entry fees may be delivered at the contest.
