

UIL Marching Band Contest

Hanszen Broadcasting, Inc. is honored to announce that once again this year, we will be broadcasting and video streaming your UIL Region Marching Contest. The same as years past, you will find the video stream link at www.EastTexasToday.com. Please feel free to share this link of the broadcast on your website or Facebook page.

Denny Whitley and I will anchor the broadcast.

Best of luck to each high school program.

Again, it is an honor to bring you the contest this year.
